TRAI's concern over broadband connectivity

904. DR. MAM. RAMASWAMY: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether the TRAI has expressed its concern over the low broadband connectivity in the country;

(b) if so, the details thereof; and

(c) the action/steps taken by the Central Government to address this concern of the TRAI?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) to (c) Telecom Regulatory Authority of India (TRAI) has recently sent a communication to the Government recommending that Government should conduct a review of various provisions of Broadband Policy and should have reconsiderations on TRAI's earlier recommendations pertaining to Local Loop unbundling and fiscal incentives for Broadband. However, the suggestions made by TRAI are under examination.

The Government has recently announced reduction in licence fee for NLD/ILD service licensees from 1st January, 2006. This is expected to reduce cost of Broadband services and is expected to result in increase in Broadband subscribers.
